

June/July 2010

Hello Dancers and Parents!

Congratulations! Concerts were truly spectacular this year! All five shows were filled to capacity which means we had audiences of just at 4,000!! That's a lot of people seeing your beautiful dances!:)

Thank you dancers for all your hard work and thank you parents for all volunteer efforts and for generally being so cooperative and kind during dress rehearsals and concert days.

Our first Summer Session begins Monday, June 28-July 22. Call the front desk or stop by the studio to register for some amazing summer classes. Our second Summer Session runs July 26-Aug 19. Each session is four weeks in length.

We also are registering students for our Musical Theatre Summer Camp with Steve and Sandra Huntsman! This fun-filled week will be July 19-23! Register today!

If you were not able to pick up your Hazen photo packets they are at the studio.

David Williamson is still taking orders for concert dvd's. You can purchase one dance only or entire shows. I don't know how many moms have told me purchasing the entire show is better than any Disney dvd as their kids watch it over and over memorizing every dance and singing every song!!! There you go parents....summer entertainment!:) There is a link on the Concert Info page of our website, bunkerdancecenter.com, or go straight to bunkerdancevideos.info.

Fireball Photography took some beautiful shots at concerts! All photos are loaded and ready to preview. They have a link on our home page of our studio website or go straight to fireballphotography.com.

Stacey Tookey, Peter Chu, Chaz Buzan and many other brilliant teachers will be teaching classes at the studio over the next couple weeks as well as regular summer sessions. We're always hopping here at the studio!

See you dancing at the studio!
